We are proud to announce that we have launched an improved Chapter website. Many thanks to Chapter member Leslie Gollehon for the excellent job in developing our new look.

You can contribute to content. If you want to organize a special fishing outing, spread the word about a new fly, tell us about a conservation opportunity, and share your fun and serious information with your fellow SVTU members and others who visit the SVTU website.

**Drop us a line at ([svtroutunlimited@gmail.com](mailto:svtroutunlimited@gmail.com)) or contact the editor (see last page) and we can help spread the word.**

## MEMBER ACTIVITY – WE NEED YOUR HELP!

---

The Chapter continues to be involved in activities, above and beyond our Chapter meetings. We plan to continue the same level of effort for the rest of 2013 and in 2014. To accomplish this, the Chapter needs your support.

As a volunteer organization we are limited by the number of active members who are willing and able to assist with Chapter leadership and activities. We have approximately 380 members assigned to our Chapter. Our active membership from this pool is less than 10 percent (i.e., approx. 30 people). In order for the Chapter to continue to be a viable organization **we need your support**. Perhaps there is a project, topic, or effort you are passionate about that the chapter is not focused on. Contact us *or come to a chapter meeting*; we'd love to hear about how you'd like to get involved.
