MEMBER ACTIVITY – WE NEED YOUR HELP!

The Chapter continues to be involved in activities, above and beyond our Chapter meetings. We plan to continue the same level of effort.. As a volunteer organization we are limited by the number of active members who are willing and able to assist with Chapter leadership and activities. We have approximately 340 members assigned to our Chapter. Our active membership from this pool is less than 10 percent (i.e., approx. 30 people).In order for the Chapter to continue to be a viable organization **we need your support**. Contact us *or come to a chapter meeting*; we'd love to hear about how you'd like to get involved.
